12:13 PM **Mark:** i'll probably drop by after 5

i was wondering though, does nelson still deal out of your living room?

i was thinking i wouldn't mind doing some business with him

12:17 PM **me:** Archie does, his boss.

Mark: you figure he'll be around tonight?

12:18 PM **me:** yeah

Mark: k

i have another week before classes start

12:19 PM weed would be a real plus

in any event, i'll see you later

oh, one other thing

i literally ran into kai on the street yesterday

12:20 PM i mentioned i was going to be hanging out with you today, and he made some noises about giving you a call. so he might. but he's pretty flaky, so who knows

7 minutes

12:28 PM **me:** meh

12:29 PM **Mark:** i wasn't expecting you to get excited or anything, but i figured i'd mention it

12:30 PM though hearing about his get rich quick schemes is pretty amusing
anyways, see you later

12:31 PM **me:** lol

another one?

12:32 PM **Mark:** he's been trading in penny stocks, apparently
